

Elite Quotas for Autun European Championships

According with our regulations here you can find the quotas obtained by each NF and the process and data in which these quotas are based.

All the countries not included in the quotas list can request the participation of their athletes by submitting a wild card request to the ETU EB.

Wild card could be asked as well for athletes not included in the list of eligible, providing that no country can exceed the maximum of 5 athletes.

Women

1. Maximum team size WOMEN
